"Be the change that you wish to see in the world..."

Mohandas Gandhi

"If you're outraged at conditions, then you can't possibly be free or happy until you devote all your time to changing them and do nothing but that. But you can't change anything if you want to hold onto a good job, a good way of life and avoid sacrifice."

Cesar Chavez

"I really don't think life is about the I-could-have-beens. Life is only about the I-tried-to-do. I don't mind the failure but I can't imagine that I'd forgive myself if I didn't try."

Nikki Giovanni

"Oua teke fia he fai lelei" meaning, "don't give up on doing good."

Tongan Proverb
